

- **Potential DBE Opportunities:** We have identified over 100 potential DBE and small business construction opportunities as part of the project. These opportunities cover a wide range of construction, such as concrete, electrical, and vegetation. All COBID-certified DBEs are encouraged to review the list and see which may apply to your firm's specialty and attend a Meet the Primes networking event!
- **DBE Participation:** This project will set a firm DBE goal in fall 2021.
- **Tribal Employment Rights Ordinance (TERO):** The Confederated Tribes of Grand Ronde will set the project's TERO goal in fall 2021.
- **Workforce:** We are supporting workforce development initiatives in order to employ a diverse, skilled workforce through our On-the-Job Training/Apprenticeship program and a partnership with BOLI.
