SUMMER 2022

## ABERNETHY BRIDGE CONSTRUCTION BEGINS JUNE 2022!

### ABOUT THE PROJECT

The I-205 Improvements project's first phase of work begins in June 2022 with an expected completion date in 2025. This phase of the project centers around the Abernethy Bridge, which spans the Willamette River between West Linn and Oregon City. This first phase of work is part of a larger project effort to upgrade the seven-mile stretch of I-205 from Stafford Road to OR 213. Currently, over 100,000 vehicles use this stretch of I-205 daily, and drivers experience nearly seven hours of congestion each day. Once completed, users of I-205 will experience reduced congestion, more predicable travel times and enhanced overall safety. Tolls will raise revenue to construct the project.

### CONSTRUCTION IMPACTS

The first phase of the project will primarily feature work under the existing bridge via barges in the Willamette River. However, the work at times will result in traffic impacts around the Abernethy Bridge. The Jon Storm parking lot under the bridge in Oregon City will be closed on May 31, 2022 and will remain closed until upgrades are finished in 2025. Additionally, bridge construction will impact bike and pedestrian access along OR 99E. The project will result in full weekend, nighttime and directional closures. There will also be impacts to on-and off-ramps later in the construction process. Please visit the project website and Tripcheck.com to learn more about construction impacts.

### FIRST PHASE IMPROVEMENTS INCLUDE:

- Earthquake-ready improvements to the Abernethy Bridge.
- Removing the current I-205 northbound on-ramp from OR 43 and replacing it with a roundabout.
- Realigning or widening the on- and off-ramps at OR 99E.
- Improvements for people who walk and bike on OR 43, Clackamette Drive and OR 99E.
- Installing a sound wall near the southbound lanes of I-205 at exit 9.
- Widening I-205 in the first phase of the project area will allow a third travel lane in each direction. The final lane configuration will be completed in a future phase.

## YOU ARE INVITED TO OUR PUBLIC OPEN HOUSES

These open houses are a great opportunity for the community to stop by and learn more about the project and the construction-related impacts.

### OREGON CITY

**Pioneer Community Center**  
615 5th St., Oregon City

**5–7 p.m. Tuesday, June 28**

*The Pioneer Community Center has two accessible parking spots across from the main building, and two additional accessible parking spaces in the rear parking lot.*

### WEST LINN

**Adult Community Center**  
1180 Rosemont Rd., West Linn

**5–7 p.m. Thursday, June 30**

*The West Linn Adult Community Center has three accessible parking spaces in front of the building.*

A recorded presentation will be posted on the project website for those not able to join us in person.

For ADA or Civil Rights Title VI accommodations, call 503-731-4128 at least 72 hours before the event. Venues are accessible.
